

Waterproject Lokpogba, Benin, West-Afrika

The starting of Lokpogba waterproject in Cottonou, Benin, West Africa 2010.

This project is sponsored by:

- Kringloopwinkel De Recycling 's Gravenzande
- S.O.S. Rommelmarkt Den Bosch
- De Kring Reeuwijk
- 't Goeie Doelen Winkeltje in Delft

The finishing of Lokpogba project in Benin Cotonou has not being showned on our website due to our timetable being changed, mean while you all can see that the community has now safe clean drinking water.

Pictures:

The community, having a view at the finishing part of Lokpogba waterproject, which will soon be commissioned.

The well construct, 60 meters deep.

More pictures to be shown at the completion of the project.

The community are overwhirmed for having clean drinking water in their village.
